Dr. Andrew stone, Physician to the Troy Lung and Higisole Institution, is now engaged in treath, this class of ondern maladise with the most actionships success. The treatment adopted by the Institution is new; it is hased upon scientific principles, with new discovered reun-disc, without minerals or polsons. The facilities of cure are such that patients can be cured at their homes, in any part of the country, from accurate description of their case, by letter, and have the medicines sent them by mail or express. Printed interrogatories will be forward do napplication.

E. Consumptin, Catarrh, and diseases of the Throat cured as well at the homes of patients as at the Institution by sending the Cold Medicated Inhaling Bulsamic Vapora, with inhaler, and ample directions for their use, and direct corresp nature. MEDICAL. MANHOOD. How Lost, How Restored. capacity.

THE FARMONS,—The axireme severity of the winter has consed fur to be much in request, and there is in this material, as in all other things, a shion. This season, As racan is most in vogue. We find fur used, and only as trimming for manles, but also for dresses. Two or three bands, les, but a quarter of a yard in width, placed upon twister that they have obtained to the citizens of the United States that they have obtained to the Agency for and are now enabled to offer to the Agency for and an, are very distingue. Such Conventions assure imperial powers, press ordinances declaring the connection between those States and the Federal Union dissolved-refuse to submit these ordinances to the vote or the people of these States for their ratification or reject on-put the people of these States out of the Union without their having had a chance to jass upon the question, so far as such unconstitutional and revolutionary ordinances can do so-a, point delegates of their own mere will and authority to a Southern Congress to form and the people having had an opportunity of messing upon the question of its being called, and of the

selection of its members, a Provisional Govern ment for the "Confederate States of North Amer ica" is formed and put into operation by a faction of usurpers and tyrants, and their dupes; and a President and Vice-President for such Confederacy are by this faction appointed, without consulting the people. And what now is the condition of the people of these States? What one of their original constitutional rights and liberties remains? Despotic, absolute, and imperial power is in the hands of a Congress Intes such governments provisional and per-

manent, as it sees fit, without giving the people a chance to vote upon the question of the formation of such government, or of the appointment of its officers. It remains to be seen whether the people of these States will tamely submit to the rule and dominion of this sort of a government. If they do, they will forfeit, and forever, the glorious inheritance of liberty and constitutional rights, transmitted to them by their fathers. DETERSIVE AND ERASIVE SOAP, Louisville, Ky. WE offer this Soap to the public with the full assu-rance that, if the directions given are carried out, it will save time labor, and money. All we ask is a fair trial; then let I stand upon its own merits. Among other advantages of this over other Washing Soaps, the

do a washing by using the comparison other.

8. The clothes need but little rubbing, and, in most cases, no boiling.

4. For washing hands it is greatly superior to any common Soap, as it does not obsy, but has a tendency to soften the kin.

6. It cannot be surpassed for removing Ink. Tar, and Greace Spots, also for cleaning Paints.

7. The superiority of this Soap coodsta in its not containing any excess of Alkadien, and the materials used reudering it more mild than any other known Washing Soap. Soap.
7. It is undoubtedly the best Femily Soap extant, and is nearranted to give perfect satisfaction, or the money will be refunded.
